

Section 4: Support and Services available to working groups / circles / projects

- [Support & Services](#)

Support & Services

The International Permaculture CoLab pays for services:

From the Digital Circle, to provide working groups, project and circles with the following services:

- Nextcloud accounts for document storage, creation, editing and sharing
- Access to a central email address for external communication namely:
contact@perma.earth
- OpenProject access (currently limited to funded projects)
- Miro boards (limited number of accounts/unlimited number of boards as needed)
- Newsletter access for internal and external communications / promotion through the communications officer
- Slack workspace - anyone can create channels, use call features, create usergroups
- Web page/s on perma.earth outlining the working groups / circle / project work, team, together with a contact form if needed
- Access to downloadable resources through the perma.earth website

From the Funding Circle:

- Access to a funding opportunities database
- Opportunities to join others in group-funded projects

From the Evaluation and Impact team:

- Assistance to projects to be able to design and carry out their own evaluation and impact strategy

From the Welcome Circle and any other willing CoLab member:

- help CoLab members orient themselves in the CoLab community
